Students, Parents, and Community,

We hope that you and your family are doing well and are healthy and safe! Today's communication is to give you updates on grading expectations.

Marking Period 3 (MP3)

- Teachers have worked with students that had makeup work and incomplete grades from before Spring Break.
- Grades for MP3 will be submitted on Monday, April 13th and can be viewed through HAC on Tuesday.

Marking Period 4 (MP4) will resume with the following

- Students will receive one grade per week from each teacher.
- MP4 grade will be the average of six (6) grades.
- Weekly grades will be communicated through teachers Google Classrooms
- Teachers are currently working within their teams to determine the most impactful lesson that is in line with the CFISD pacing guide and the state TEKS (Texas Essential Knowledge & Skills)
- The weekly activity will be beneficial for students that are using Edgenuity or the paper packet
- Teachers will communicate (ie. Posting in Google Classroom) the topic/lesson for the week
- Students will complete the activity during the Google Classroom (or Check in)
- Teachers are primarily available to support students 4 times throughout the week. Please see weekly support schedule. This schedule will help to prevent overlapping times for contents utilizing different digital platforms. All teachers are still available through email and their Google Classrooms between the hours of 9:00 a.m. – 2:00 p.m.
- Teachers will post the student grade in their gradebook which can be viewed through HAC.

Learning at Home – Edgenuity – UPDATES

- Teachers now have access to monitor and see student progress through Edgenuity
- CFISD is posting pacing guides to align with the state TEKS
- Students should continue working at a pace that is most beneficial for their individual learning. They have opportunity to review previous lessons and/or work ahead to challenge and academically grow
- We are aware that students may be at various learning points or some may feel they are behind. No worries - now is the time to get started so your teachers can measure your progress, answer questions, and assist you along the way.

Yearbooks:

- You still have an opportunity to purchase via "School Cash". The yearbook is being finalized and sent to production! We will develop a plan for distribution. You do not want to miss out on purchasing your copy! You can purchase on line at www.schoolcashionline.com for \$45. The Deadline is May 15th.
