Dear Kahla Parents,

During this time of social distancing, we want to ensure that each of our middle school students continue to have access to high-quality curriculum and assignments. Please take a moment to review key information below and talk with your child about the importance of continuing their education during this time. There is information below for a **Zoom Meeting with me**, so I hope you can attend one of the designated times. The meeting will be recorded if you cannot make it and posted to the webpage.
