Dear Kahla Parents and Knights,

I want to thank you for meeting with me and the Kahla Leadership Team virtually through Zoom (September 2-4). I know that many of you have questions about the start of school, so we have taken your comments and added resources to our campus homepage. We will continue to add to our campus homepage as we receive your questions. Remember, I know that we are stronger together than we are apart. I witnessed our Kahla community collaborate via Zoom as many of you shared helpful notes and/or tools for our community members that voiced their concerns with technology. As the first day of school approaches, we cannot wait to see our students again and instill within them the joy of learning. Whether learning is through *CFISD Connect* or on campus here at Kahla Middle School, our faculty and staff are eager and excited to get the school year started. Please visit the campus webpage (<https://kahla.cfisd.net/en>) to see the updates. Again, I thank you for asking questions and giving us feedback to make your experiences at Kahla Middle School more enjoyable.

With that in mind, here is some important information for all of our students and families. If you have questions, please call us at **281-345-3260**.

Learning Through *CFISD Connect*

- Today - on Sept. 5th class schedules can be viewed through the Home Access Center or *Schoology*, our online learning platform. Students are expected to follow that schedule every day.
