Good Afternoon Kahla Parents and Guardians,

We want to thank you for your patience and understanding through this extraordinary time. Please review your child's class schedule because we have been balancing classes to maximize learning and social distancing space. As we work through Schoology and online instruction, many of our parents are reporting connection and attendance concerns. If you are disconnected during a session and have an attendance concern, please email the teacher of the concern and they will note the attendance. Also, please have your child complete any class work when the connection resumes, so the teacher can see the student was working.

While the first week went well, it will get better as everyone adapts to this method of teaching and learning. We, at Kahla Middle School, are committed to our students and have been working hard to coordinate and implement the distance learning program that we hope your student will find enjoyable and engaging.

Top 3 Zoom Tips and Reminders:

1. Log into your class (First and Last Name for admittance) or meeting from a distraction-free, quiet environment.
2. Make sure your video is on (if you have camera capabilities) so your teacher and peers can see you.
3. If you would like to speak or answer a question, use the "Raise Hand" feature. Then unmute yourself after you are called on by your teacher.

#1 Fan.
